Dear Sir,

Re Site for our office
Building.

As you are already aware of the fact that a new factory will be started shortly (for the manufacture of Electric Motors,etc at Bangalore), we have been trying to get a suitable building for our office purposes But unfortunately, the present buildings that we see on the Silver Jubilee Park Road and the Narasimharaja Road are not quite suitable for our purpose

We, therefore, request you to give us a site opposite the Town Hall or adjacent to the Town Hall wherein we propose to erect a suitable office building that will really enhance the beauty of the Town Hall and the City

Your co-operation in getting us the above site will be highly appreciated

Yours faithfully,

Sir,

With reference to your letter No L 6-7 dated 1-7-46 re the grant of a site opposite to the Town Hall to Messrs Kirloskar Bros , Ltd , for the erection of their office buildings, I have the honour to state that it is not clear from their letter which particular site they have in mind If they are re erring to Gangamcheri area to the west of the Town Hall, it may be stated that this area was acquired by Government and is now in the possession of the P W D The old buildings are still standing and the tenants ave not ~~get~~ yet vacated then for demolition If on the other hand, they want the vacant ground at the end of the Silver Jubilee Park to the north west of the Town Hall, the Gardens Department may be kindly consulted as they are in possession of it It may however be stated in this connection that the City Municipal Council propose to put up here a Maternity Home out of the donation paid by a merchant by name Mr Dasappa and this proposal has been referred to the Board by Government for opinion The question will be considered by the Board at its meeting on the 8th instant

2 No vacant land round about the Town Hall

is in the possession of the Trust Board The Municipality has recently acquired about 80 acres of land between the Bamboo Bazaar and the New Kumbargundi Road for housing the dispossessed families in connection with the Krishna Iyengar Road Scheme In my opinion, this area is eminently well suited for development as business quarters
